

**adult coloring book stress relieving patterns adult** - *i purchased the stress relieving patterns adult coloring book based on the plethora of positive reviews i haven t been disappointed it has a generous number of images 46 all on super bright white paper ranging from intermediate to advanced patterns, **adult coloring book butterflies and flowers stress** - i bought this book based on the cover image and was somewhat disappointed i felt the quality of the book really varied not all pictures are as detailed as the one on the cover which is of course the nicest one in the book by far and many images seemed simplistic and more suited to an older child than an adult*
