up what s so misleading about nassim haramein - *the issue here is not so much that he got something wrong but that he is capable of presenting a theory in all seriousness that gives results that are so far from reality without even stopping to notice if you re trying to present a theory that s supposed to represent reality surely you would ensure that you a understand what your answers mean and b take every opportunity to compare*, **messiah christ denial and the seat belt law ebionite com** - *there is no such thing as an accident only events that have a pre existing cause that man chooses to remain blind to accidents can only be avoided by developing the innate resources of the mind that is able to sense and perceive the underlying causes in what is known at the etheric field*
